1.0 Organisation Description

The Tasmanian University Student Association (TUSA) was founded in 1899, is one of the oldest Student Unions in Australia, and is recognised as the peak student body representing all students attending the University of Tasmania (UTAS).

The overall responsibility for the TUSA is overseen by our Board of Management (BoM), which consists of elected student representatives, external/lay members (appointed by BoM) and university representatives (appointed by UTAS), and is the employer of staff, who work with us to be an organisation 'run by students, for students'.

The TUSA is focussed on mobilising and enabling UTAS students to have their voices heard, and to be part of a community beyond the confines of the classroom. The TUSA aspires to facilitate this through student representation, the provision of clubs and societies, initiatives and independent student advocacy. We are an organisation focussed on realising the potential of our student base and providing opportunities for the cultivation of unique and exciting ideas that create meaningful and sustainable impacts for UTAS students.
